

PRIVACY POLICY

What is this Privacy Policy for?

This privacy policy is for this website www.amivl.co.uk and served by AMI Vehicle Leasing Ltd and governs the privacy of its users who choose to use it.

The policy sets out the different areas where user privacy is concerned and outlines the obligations & requirements of the users, the website and website owners. Furthermore the way this website processes, stores and protects user data and information will also be detailed within this policy.

The Website

This website and its owners take a proactive approach to user privacy and ensure the necessary steps are taken to protect the privacy of its users throughout their visiting experience. This website complies to all UK national laws and requirements for user privacy.

AMI Vehicle Leasing may provide links on our website that redirect you to an external 3rd party website. AMI have no control over the content on these sites and cannot confirm if and how they collect and store data. To ensure you are satisfied we recommend that you review these 3rd party sites privacy policies as they may differ from ours.

Use of Cookies

This website uses cookies to better the users experience while visiting the website.

Cookies are small text files that are placed on your computer or mobile phone when you browse websites

Our cookies help us:

- Make our website work as you'd expect
- Improve the speed/security of the site
- Allow you to share pages with social networks like Facebook
- Continuously improve our website for you
- Make our marketing more efficient (ultimately helping us to offer the service we do at the price we do)

We do not use cookies to:

- Collect any personally identifiable information (without your express permission)
- Collect any sensitive information (without your express permission)
- Pass data to advertising networks
- Pass personally identifiable data to third parties
- Pay sales commissions

You can learn more about all the cookies we use below

Granting us permission to use cookies

If the settings on your software that you are using to view this website (your browser) are adjusted to accept cookies we take this, and your continued use of our website, to mean that you are fine with this. Should you wish to remove or not use cookies from our site you can learn how to do this below, however doing so will likely mean that our site will not work as you would expect.

Website Function Cookies

We use cookies to make our website work including:

- Allowing you to add comments to our site

There is no way to prevent these cookies being set other than to not use our site.

Third party functions

Our site, like most websites, includes functionality provided by third parties. A common example is an embedded YouTube video. Our site includes the following which use cookies:

Disabling these cookies will likely break the functions offered by these third parties

Social Website Cookies

So you can easily "Like" or share our content on the likes of Facebook and Twitter we have included sharing buttons on our site.

Cookies are set by:

The privacy implications on this will vary from social network to social network and will be dependent on the privacy settings you have chosen on these networks.

Anonymous Visitor Statistics Cookies

We use cookies to compile visitor statistics such as how many people have visited our website, what type of technology they are using (e.g. Mac or Windows which helps to identify when our site isn't working as it should for particular technologies), how long they spend on the site, what page they look at etc. This helps us to continuously improve our website. These so called "analytics" programs also tell us if, on an anonymous basis, how people reached this site (e.g. from a search engine) and whether they have been here before helping us to put more money into developing our services for you instead of marketing spend.

Turning Cookies Off

You can usually switch cookies off by adjusting your browser settings to stop it from accepting cookies. Doing so however will likely limit the functionality of our's and a large proportion of the world's websites as cookies are a standard part of most modern websites

It may be that you concern around cookies relate to so called "spyware". Rather than switching off cookies in your browser you may find that anti-spyware software achieves the same objective by automatically deleting cookies considered to be invasive.

No personal information is stored, saved or collected.

Contact & Communication

Users contacting this website and/or its owners do so at their own discretion and provide any such personal details requested at their own risk. Your personal information is kept private and stored securely until a time it is no longer required or has no use, as detailed in the Data Protection Act 1998 and the EU's General Data Protection Regulations effective 25/05/18. Every effort has been made to ensure a safe and secure form to email submission process but advise users using such form to email processes that they do so at their own risk.

This website and its owners use any information submitted to provide you with further information about the products / services they offer or to assist you in answering any questions or queries you may have submitted. At no time will we share your details with any third party.

Social Media Platforms

Communication, engagement and actions taken through external social media platforms that this website and its owners participate on are custom to the terms and conditions as well as the privacy policies held with each social media platform respectively.

Users are advised to use social media platforms wisely and communicate / engage upon them with due care and caution in regard to their own privacy and personal details. This website nor its owners will ever ask for personal or sensitive information through social media platforms and encourage users wishing to discuss sensitive details to contact them through primary communication channels such as by telephone or email.

This website may use social sharing buttons which help share web content directly from web pages to the social media platform in question. Users are advised before using such social sharing buttons that they do so at their own discretion and note that the social media platform may track and save your request to share a web page respectively through your social media platform account.

Shortened Links in Social Media

This website and its owners through their social media platform accounts may share web links to relevant web pages. By default some social media platforms shorten lengthy urls. Users are advised to take caution and good judgement before clicking any shortened urls published on social media platforms by this website and its owners. Despite the best efforts to ensure only genuine urls are published many social media platforms are prone to spam and hacking and therefore this website and its owners cannot be held liable for any damages or implications caused by visiting any shortened links.
